

VDO+

Rewarded Interstitial Ad

VDO+ is a rewarded interstitial that keeps users engaged while lifting RPMs - all with a smooth, user-first experience.

Smarter Ad Tech

Let's dive into how it's changing everything.

How VDO+ Works

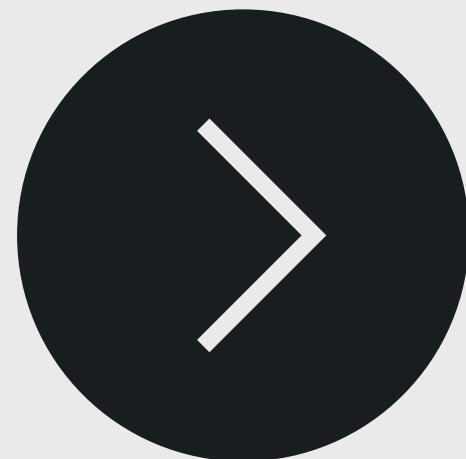

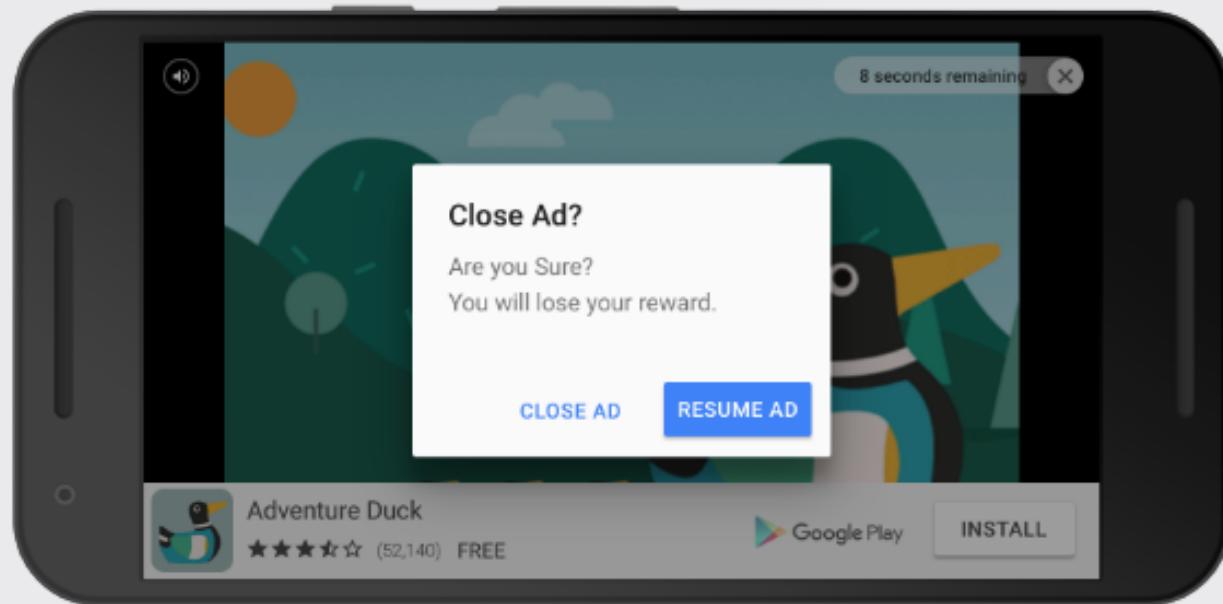

Where Innovation Meets Intelligence.

It's customizable (frequency, language, geo), easy to integrate, and plays either static or video formats based on what fits best for your users.

VDO+ Is Flexible

(01)

Can fit seamlessly into the user journey
Appears after the user clicks the CTA button and before the landing page loads.

(02)

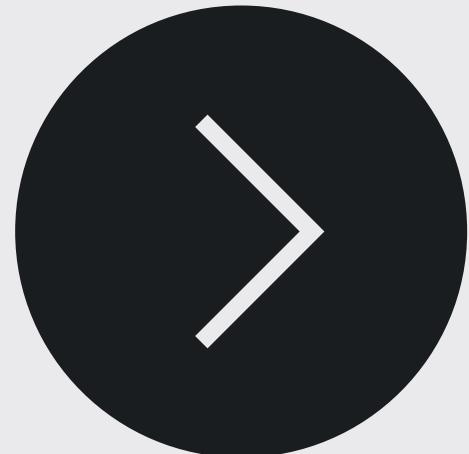

Can show pop-up between pages
Triggered while navigating within the site.

(03)

Can show pop-up when switching tabs
Appears when a user changes browser tabs.

Smartly Placed. Seamlessly Displayed. Always Engaging.

Revenue Benefits

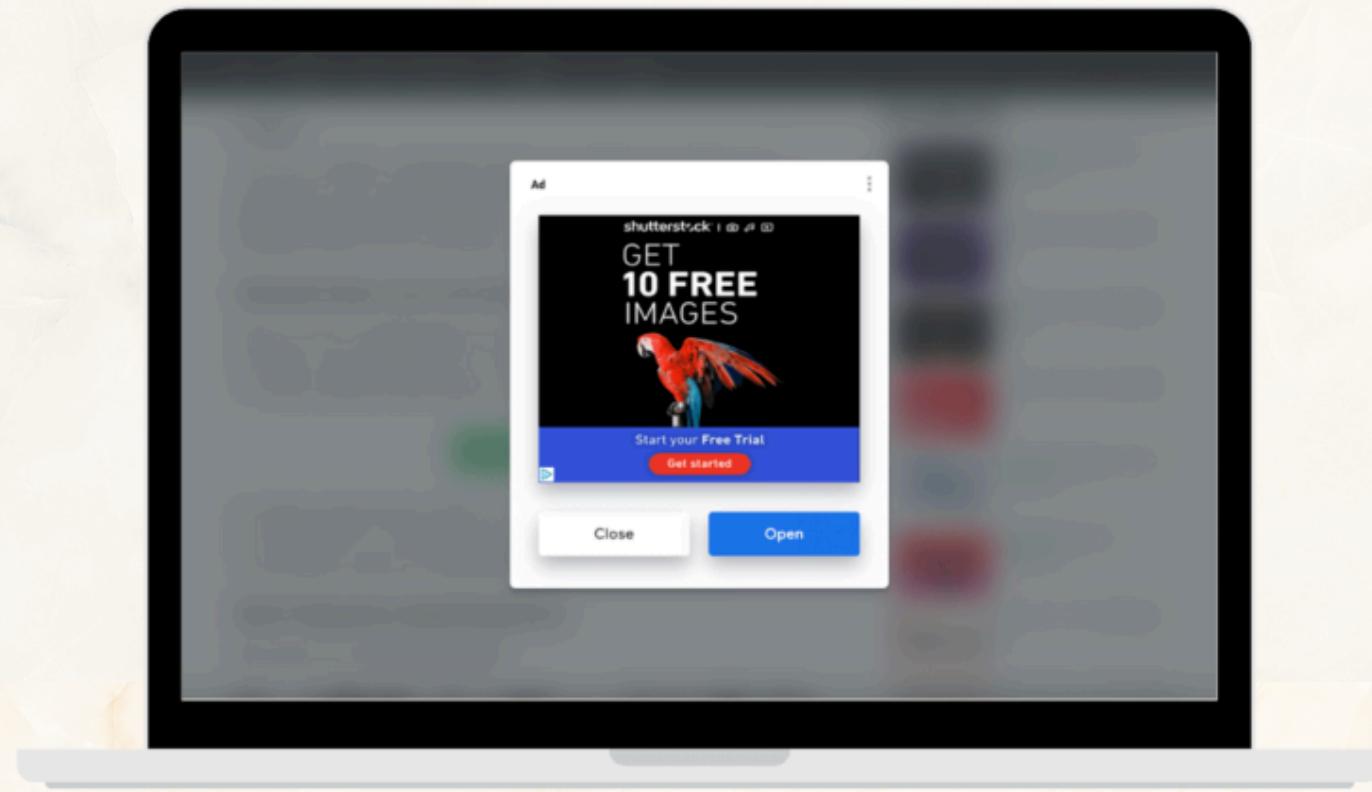

VDO+ isn't just smarter, it's more profitable.

- Minimum **30% RPM** improvement

Engineered for Better Monetization Outcomes
