The chart displays two metrics over time: Total Revenue (pink line) and Impressions (yellow line). The left y-axis represents Total Revenue from 0 to 97, and the right y-axis represents Impressions from 0 to 188k. The x-axis shows the date 2024-07-25. The data points are as follows:

| Date       | Total Revenue | Impressions |
|------------|---------------|-------------|
| 2024-07-25 | 12            | 60k         |
| 2024-07-26 | 24            | 60k         |
| 2024-07-27 | 48            | 73k         |
| 2024-07-28 | 60            | 85k         |
| 2024-07-29 | 60            | 141k        |
| 2024-07-30 | 85            | 188k        |

The image shows a laptop screen with a code editor. On the left, a file explorer sidebar lists several files: `LICENSE`, `package.json`, `renovate.json`, `ThirdPartyNotices.txt`, `tsconfig.json`, and `yarn.lock`. The main editor area displays a file named `Date` containing a list of commands for installing the latest edge version of the software. The commands are as follows:

```
--help
--dry-run
--echo the commands for the install process without running them.
--version x.x.x
--install a specific version instead of the latest.
--edge
--edge Install the latest edge version instead of the latest stable version.
--method [detect | standalone]
--method Choose the installation method. Defaults to detect.
--detect detects the custom package manager and tries to use it.
```

The status bar at the bottom of the editor shows the following information: `Ln 1, Col 1`, `Spaces: 2`, `UTF-8`, `LF`, `Shell Script`, and `Layout: us`.

```

37 -method [detect | standalone]
38 Choose the installation method. Defaults to detect.
39 -detect detects the custom package manager and tries to use it.
40
Ln1,Col1 Spaces:2 UTF-8 LF Shell Script Layout:us

```

[illegible]

A screenshot of a video analytics dashboard. On the left, a vertical bar chart shows 'Impressions' with values ranging from 47k to 188k. The main area features a world map titled 'Country wise impressions' with red highlights indicating high impression areas in North America and Europe. A red arrow points from the text 'All video formats' to the map.
